Recommendation

Caspar has worked at Onfone as a Graphic Designer in the period 1st of December 2010 to September 5th 2011. Caspar has worked with different kinds of graphic design, including web design, branding and campaign- and advertising material. The last mentioned has been Caspar's primary responsibility.

Caspar is creative and passionate about his work. As a person he is dynamic and outgoing and he is very direct and honest in his communication with colleagues and others. Casper loves to make fun and he contributes to an informal and casual atmosphere at the office.

We have been very satisfied with Caspar's work and have no hesitations to give him our very best recommendation. We have nothing to put on Caspar's level of competence, but due to internal cuts, we unfortunately had to dismiss him. If you have any questions regarding this recommendation, please do not hesitate to contact me.

Yours sincerely,

Morten Strunge
