

To whom it may concern.

We have had Caspar Rohleder employed in 2008/09. During this period Caspar has worked with several different clients and jobs.

Caspar are a fast working guy and have a lot of brilliant ideas. His computer skills are good and he is updated with all the new stuff and tricks in the programs. Caspar works both with the offline and online media.

Caspar is a good colleague and a fun person to be around.

We strongly recommend Caspar and wish him all the best in the future.
